IRISH CLASSES INFORMATION & REQUIREMENTS

You must be in Irish I Cclass or above to take an Irish Hardshoe class.

You may take an Irish class (softshoe) without taking an Irish Hardshoe class, but you may not take an Irish Hardshoe class without taking an Irish class (softshoe)

You must take an Irish Class (softshoe) to be eligible to take the Irish Performance Class.

You must take an Irish Hardshoe Class to be eligible to take the Irish HARDSHOE Performance Class.

If you are taking an Irish class (softshoe), and you want to be in the Irish Performance Class only, rather than both PERFORMANCE classes, you are welcome to register for only the Irish Performance Class

However, you are not allowed to take the Irish HARDSHOE Performance class without also taking the Irish Performance class as well.

The Irish Dance Performance Class is open to dancers from Irish I up to Irish III who are interested in performing at local events such as Celtic festivals, local elementary schools and nursing homes around St. Patrick's Day, and other events we are invited to perform at. Dancers will practice weekly for these performances. Dancers must also be enrolled in an Irish dance class. This is a great class for those dancers looking to advance in Irish dancing or those who may need a little extra help outside of class-time. Female dancers will be required to purchase a traditional bun wig for performances (beginning \$40) but may purchase a full wig if they prefer. More information about this, as well as a schedule of upcoming performances will be sent out during the first week of classes. Please contact Miss Hunter if you have any further questions.

All MDS dancers ages 7-22 are required to attend a placement class to assure they are in the correct level for Ballet, Pre-Pointe/Pointe, Irish, Jazz, Modern, AcroFlex, and Tap. For more details on placement, specific times, and registration information, please email mtowndance@gmail.com
