

MORGANTOWN DANCE STUDIO

SUMMER 2020

EXERCISE AND CLASS GUIDELINES:

1. Class sizes will be limited to 6 students in person and another 6 students via Zoom – this will ensure that we can respect a safe distance while still allowing for a good class
2. There will be no classes for children under 8 years of age at this time.
3. Surfaces will be cleaned between classes so your cooperation in vacating the studio at the end of class will be appreciated
4. You **MUST** register for classes. We will not be allowing drop-ins or make-ups at this time.
5. Masks will be left up to the individual as we understand breathing can be hindered even further during a strenuous workout. However, you will be required to wear a mask or a cover when checking in and when crossing the mall space to Studio D. Volunteers will be wearing masks throughout.
6. Many classes will be conducted via Zoom to supplement in person attendance. You must still register for class and indicate that you wish to “Zoom”. Once you have opted for Zoom you may not change your preference without checking with the studio so we do not exceed class size limits.
7. You will be asked to sign a waiver pertaining to this unique situation when you register. This waiver must be signed before participating.

GUIDELINES FOR ENTERING AND EXITING MORGANTOWN DANCE STUDIO

1. Students will enter through the back door (between Senior Monongalians and the Mall Office) as the main mall doors will remain locked.
2. Parents will bring their student to the door and hand them over to the studio volunteer on duty. Please maintain social distancing at this time so each student is admitted safely.
3. Upon entering the studio we will use a non-touch forehead thermometer to check the student’s temperature.
4. Your child will be directed to their classroom by the studio volunteer so as not to have students gathering to talk or visit with each other.
5. If you feel ill in any way please stay home.
6. We will ask the following questions before allowing students to participate in class so, as a parent, please be aware before bringing your child to the studio.
 - a. Have you been in close contact with a confirmed COVID-19 case?
 - b. Are you experiencing a cough, shortness of breath, or sore throat?
 - c. Have you had a fever in 48 hours?
 - d. Have you had new loss of taste or smell?
 - e. Have you had vomiting or diarrhea in the last 24 hours?
7. Dancers should come dressed in their dance outfits bringing only their dance shoes as the dressing room will not be available. **NO LARGE DANCE BAGS PLEASE.**
8. Bring your own water bottle, clearly labeled with your name.
9. Dancers will be encouraged to not touch anything except for the barre. Teachers will open and close the door to their room.

10. When leaving the studio after class, students may exit through the back door or through the outside door of Studio D. This is to prevent too many class disruptions in Studio A. Should this be the case, you will be notified after your registration is confirmed. Please note that your child will be required to wear a mask when going across the hallway to Studio D.

Parents:

Please have your child use the restroom before coming to dance as the bathrooms will have limited use.

At this time the waiting room will be closed and no one is allowed to be in the mall open space. Therefore we ask that you wait in your cars for your child to finish class. Please be on time to pick up your child as we cannot monitor the parking lot.

Additional cleaning information:

1. Before the studio re-opens we will deep clean all floors and surfaces. All floors and surfaces will be cleaned daily before classes resume.
2. There will be hand sanitizer available around the studio for easy access.
3. We ask that when waiting in line for the bathroom, please keep 6ft distance between you and of course, as a reminder, PLEASE WASH YOUR HANDS!
4. Donations of cleaning supplies would be greatly appreciated.

Please be assured that all of the above is to ensure you and your student's safety. Hopefully this is only temporary. We ask that you understand that we are doing and will continue to do the best we can under the circumstances for our MDS family.
